

## ABOUT THE SCHOOL OF AEROSPACE ENGINEERING

### Top Ranked Programs

**#2**

**UNDERGRADUATE PROGRAM**  
(U.S. News & World Report, 2020)

**#4**

**GRADUATE PROGRAM**  
(U.S. News & World Report, 2021)

### Engineering Scholars

**1,000**

Undergraduate students

**500**

Graduate students

### Hands on Experience

**84%**

of AE undergrads have been involved in research before graduation

**31%**

of AE undergrads have studied abroad

**69%**

of AE undergrads students have interned

**74%**

of AE undergrads achieved "honors" stand-

### Cutting Edge Research

- Computational Fluid Dynamics
- Cyberphysical Systems, Safety, Security, & Reliability
- Experimental Aerodynamics
- Large-Scale Computations, Data, & Analytics
- Mechanics of Multifunctional Structures and Materials
- Robotics, Autonomy, & Human Interactions
- Space Exploration and Earth Monitoring
- Sustainable Transportation & Energy Systems
- System of Systems & Complex System Integration
- Vertical Lift and Urban Air Mobility

### Engaged Outside of the Classroom

- American Institute of Aeronautics & Astronautics (AIAA)
- HyperJackets
- Ramblin' Rocket Club (RRC)
- School of Aerospace Engineering Student Advisory Council (SAESAC)
- Sigma Gamma Tau Honor Society
- Students for the Exploration & Development of Space (SEDS)
- Vertical Flight Society (VFS)
- Women of Aeronautics & Astronautics (WoAA)
- Yellow Jacket Flying Club (YJFC)

# Corporate Affiliates Program

## BENEFIT DESCRIPTIONS

### BLUE - \$5,000 LEVEL

#### AE School Fall Career Fair

Registration fee waived  
Online resume book  
Interview space

#### Digital Marketing Support

Digital signage  
Logo & website link displayed on AE website  
Year-round posting of jobs and internships (included in AE newsletter)

#### Day in the Lobby or Information Session

#### Basic Consulting Services

End of year review

### Message from the AE School Chair, Mark Costello

The AE School's Corporate Affiliates Program (CAP) is our newest initiative devoted to connecting the aerospace community with students in our bachelor, master's, and doctoral programs. The program has structured a diverse set of activities that make it easy for organizations to engage with our students and explore opportunities. We're excited to offer this program to the aerospace community and look forward to your participation.

*Mark F. Costello*

### Gold - \$15,000 LEVEL

#### AE School Fall Career Fair

Registration fee waived  
Online resume book  
Interview space  
Premier placement (in-person fair)

#### Digital Marketing Support

Digital signage  
Logo & website link on AE website (premier placement)  
Year round posting of jobs and internships (included in AE newsletter)

#### Day in the Lobby and Information Session

#### Advanced Consulting Services

Assessment & goals meeting  
Recruitment strategy  
End of year review

#### Assistance with Connecting to AE Student Groups

#### Signature Events

#### Social Media Engagement Opportunities

#### Yang Aero Maker Space (Print Advertising)

#### Exclusive Sponsorship Opportunities
