## FAQ's

### **Do I need to RSVP or register for the fair?**

The in-person fair on Tues. Feb 14 does not require an RSVP but students should download the Career Fair Plus app in advance and create an account. Show up anytime during the career fair hours and meet with employers in person.

The virtual fair on Wed. Feb 22 does require advance registration. You can book appointments with employers during the student registration window which is February 8-22. Registration is done via Career Fair Plus.

### **Can I participate in both fairs?**

Yes, you can participate in the in-person fair and the online fair. Some employers will be participating on both days; therefore, you only need to visit that particular employer once (either online or in-person). Review the employer list to see which employers are attending in-person, online or both.

### **What employers are attending?**

Visit the AE Career Fair website to learn more about the fair(s) including the employers who are participating. <https://ae.gatech.edu/fall-2022-ae-school-career-fair>

### **Why should I bring a smartphone to the in-person career fair?**

When you arrive at the career fair, there will be a student registration booth with a QR code that allows you to sign in-to the event.

### **What is resume drop?**

Resume drop is a feature on the Career Fair Plus app that allows you to share your resume with employers before, during or after the career fair. This feature is available to those attending the in-person fair and the online fair.
