

Pathways to Work with AE

Sponsor/Collaborate on Research

Sponsor a Research Project

- Allows full contractual control, negotiated IP transfer
- Requires 66.5% overhead + direct costs

Give a gift to GT for use for a lab/professor

- Allows for reduced overhead of 5%
- Doesn't provide for contractual control over work done or IP transfer

Partner with GT on Research Projects

sponsored by an outside entity (SBIR, STTR, etc.)

- Allows for joint contractual control, possible IP transfer, no cost to partner
- Requires overhead at rate for the prime sponsor (~57-67%).

Send an Employee Back to GT to Pursue MS or PhD

- Allows for control of research topics of joint interest with GT
- Requires student to gain admission to program of interest
- PhD must be resident in Atlanta campus
- MS can be done either distance learning or residential

Employ a GT Faculty Member as a Consultant

- Faculty have complete discretion on accepting consulting work
- No GT resources may be utilized in the completion of the work (no library, experimental or computer equipment/software or IRB oversight)

Hire an AE Student

Join the AE School's Corporate Affiliates Program (CAP)

- Receive brand promotion & access to a variety of recruitment events such as AE Career Fair, Day in the Lobby, Info Sessions, etc.
- Sponsorship is on an annual basis.

Participate in GT Career Fairs

- GT Career Center hosts multiple fairs
- All-Majors Career Fair is hosted in both the fall and spring semesters.
 - Fall 2023 attendance: 8,100+ students
 - Spring 2024 attendance: 3,500+ students

Participate in AE School Career Fairs

- Hosted by the AE School in the Fall & Spring
- Over 90% of attendees are AE undergrad & graduate (MS and PhD) students.
 - Fall 2023 attendance: 738 students
 - Spring 2024 attendance: 286 students

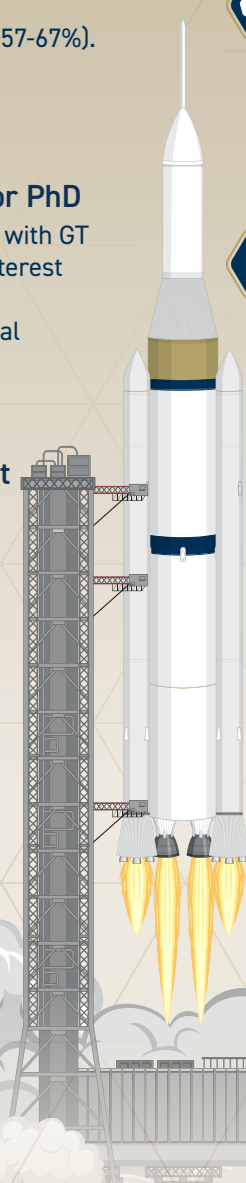

Share Jobs/Internships via GT Career Buzz & AE Newsletter

- Career Buzz is managed by the GT Career Center. Postings can be viewed & shared with all GT students.
- Job openings shared in the AE newsletter (Aerial View) are targeted to AE students.
