Safety in the Classroom

• Wear a face mask in and out of classroom
  o Effective July 15, 2020, University System of Georgia (USG) institutions will require all faculty, staff, students, and visitors to wear an appropriate face covering while inside campus facilities/buildings... Face covering use will be in addition to, and is not a substitute for, social distancing.
  o Refusal to comply with the requirement may result in discipline through the applicable conduct code for faculty, staff, or students.

• Do not congregate just outside of classroom (or anywhere else)
  o Buildings will have reminder decals and arrows to indicate entrances and exits.

• Consider carrying and using personal hand sanitizer or wipes (e.g. for door handles)
